

## Triangle Capital Corporation Announces \$6.0 Million Investment in Syrgis Holdings, Inc.

RALEIGH, N.C., Sep 17, 2007 (PrimeNewswire via COMTEX News Network) --

Triangle Capital Corporation (Nasdaq:TCAP) ("Triangle" or "the Company"), a leading specialty finance company that provides customized financing solutions to lower middle market companies located throughout the United States, announced today that it closed a \$5.0 million senior debt investment and \$1.0 million equity investment in Syrgis Holdings, Inc. ("Syrgis").

Syrgis, headquartered in Covington, Kentucky, is a holding company comprised of four distinct specialty chemical subsidiaries. Through its operating subsidiaries, Syrgis manufactures specialty chemicals critical to the performance of products in diverse industries, including natural gas and oil refineries, cleaning solutions and supplies, and various lumber products.

"During this volatile time in the credit markets, Triangle is actively pursuing more senior oriented investment opportunities that offer strong collateralized returns. Syrgis operates in a market with limited competition and, based on the diversified end markets it serves, we believe this investment will provide Triangle an excellent risk adjusted return on our shareholders' capital," said Garland S. Tucker, III, President and CEO of Triangle.

### About Triangle Capital Corporation

Triangle Capital Corporation ([www.TCAP.com](http://www.TCAP.com)) is a specialty finance company organized to provide customized financing solutions to lower middle market companies located throughout the United States. Our investment objective is to seek attractive returns by generating current income from our debt investments and capital appreciation from our equity related investments.
